Now our story begins on a sunny day. The kids and their Digimon had decided to go into town because they need to for this plot to work. They arrived at the bus stop at 5:00 am, just in time for the 5:10 bus.

Tai: Well that bus should be here any minute now.

Agumon: Yep.

Izzy: You're right.

Tai: I am.

Sora: So where is it?

Tai: Where's what?

Sora: The bus.

Tai: It's coming.

Sora: Oh, if you're sureâ€¦|

Tai: Of course, I know what I'm doing.

****5:30****

Tai: Any second nowâ€¦|

Matt: Why don't you just admit it isn't coming?

Joe: Oh, were all going to die!

Tai: It is coming! I know it is.

****6:00****

Mimi: I got up early for nothing. All I ever wanted was to get to the mall before everyone else. Why do these things always happen to me?!

Joe: *Mutters* Because you're a spoilt brat.

Mimi: Huh? What?

Joe: Nothing.

Mimi: Oh.

Tai: It will come. It will comeâ€¦|

****6:30****

Tai: It will come. It willâ€¦| Everyone look the bus!

All: At last!

Little did the Digidestined know that the bus was being driven by a creature of unspeakable evil with a plot to punish them all.

Sora: Hey, what theâ€¦|

Matt: It just drove past us!

Izzy: A most astute observation.

Joe: I knew it. Were all going to die.

Tai: No, I've come to far to give up now! *Notices everyone looking at him* What?

Sora: Never mind.

Tai: Agumon, stop that bus.

Agumon Digivolve toâ€¦| Greymon.

Greymon: Hop on.

Everyone jumped on Greymon and went after the bus. They traveled deep into deadly territory and eventually arrived at the place known as "The Bus Place."

Izzy: Most interesting, it appears to be a refueling place for buses.

Matt: *Sarcastic* Really?

TK: Matt, I'm bored and we are going to miss my favorite show.

Kari: Really? What show is that?

TK: Pokémon!

Matt: Oh, grow up TK!

TK: Matt likes it too, he said Misty was hot!

Matt blushes and puts his hand over TK's mouth.

Tai: Haha, Matt likes Misty.

Kari: So do you Tai. You have pictures of her on your wall next to the ones of Sora.

Tai: *Blushing* Let's concentrate on this situation.

Izzy: Hmm "my initial theory appears to have been correct. We are indeed inside a place where buses are kept between use."

Joe: Since we rode on Greymon to town, we don't need a bus. We can just leave through that door and go.

Tai: I think we should track down whoever was driving that bus.

Joe: WHY?

Tai: Because it wouldn't be a good story if we just went to town!

Joe: Oh.

Tai: Right, now we will go off to get the bus driver.

Sora: I think we should split into groups to increase the chances of something bad happening and thus requiring some action.

Matt: Good point.

Tai: Ok, Joe, Mimi and Matt can go left. Me, Sora and Izzy can go right. That leaves TK and Kari who can go straight ahead.

Sora: We shouldn't put the two youngest together.

Tai: Look, Sora, do you want something bad to happen or not?

Sora: Sorry.

All Digimon: What about us?

Tai: Stay here. The writer obviously has no need for you in this fic.

Patamon: *Mutters* I'll get him for that.

Anyway the groups went their separate ways. They traveled far and wide into the depths of the bus place thing.

Tai: So tired, maybe we should stop.

Izzy: Wait, my computer says that the bus should be near.

Sora: Izzy, how would you know? Let's stop.

And with those words, Sora doomed the group.

Izzy: Sora, you just doomed us!

Sora: I did? How?

Izzy: I don't know, I'm just guessing.

Tai: Yeah, Sora, relax!

Sora: Oh, Tai, perhaps we should discuss what Kari said about pictures of me on your wallsâ€|

Tai: Ummâ€| C'mon we better keep moving.

Suddenly a light shone straight at them. They heard the rev of a motor and saw a bus headed towards them. Then darknessâ€|
Meanwhileâ€|

Matt: So Mimi, do you think that new geranium I planted will be as beautiful as the others?

Mimi: Yes, I find them completely beautiful. Especially when you plant them in nutrient rich soil.

Matt: Wow, Mimi you are so smart!

Mimi: Yes, but my gardening knowledge is nothing compared to yours.

Joe: What are you two talking about?

Both: Nothing.

Joe: Oh, well there's a bus heading towards us.

The group turned around to see a bus coming right at them. Then darknessâ€| Meanwhileâ€|

TK: Do you ever wonder if there is some overall force controlling TV?

Kari: I used to think like that to, but then I saw the light.

TK: The light of truth?

Kari: Huh? No, the light of the computer screen.

TK: Ok. Don't worry; I like you even if you're insane.

Kari: Oh, TK!

Then a bus emerged from the shadows and zoomed towards themâ€¦ And elsewhereâ€¦

Agumon: Miserable kids, we are the stars.

Gabumon: Maybe.

Gatomon: Anyone seen Patamon? He was looking a bit strange earlier.

Then a bus came out ofâ€¦ well you know.

What will happen to the kidsâ€¦ and the Digimon? Will the truth about Matt's gardening addiction be revealed? Will Tai ever reveal the truth to Sora? Find out in the next exciting episode of Digimon: Digital Monsters! (I always wanted to say that!!!)

Welcome back. Last time the Digidestined went in search of the bus and some stuff happened.

Tai: Ow, my head. Where am I?

Sora: Tai, get off of me!

Matt: *Waking up* Tai, you are just Sora sex crazy!

Tai: Hey, Matt youâ€¦ Wait, Matt, how did you get here?

Matt: If you hadn't noticed we are all here and so are our Digimon.

Sora: *Pushes Tai off her* Where is here?

Izzy: Hmmâ€¦ according to my computer we appear to be in some kind of mass transportation device.

Tai: Huh? What?

Tentomon: He means a bus! Hey, I actually got a line!

Mimi: Oh, if this is bus where's the driver?

Suddenly the bus disappeared and the Digidestined found themselves in
aâ€¦ ummâ€¦ dungeon!

Kari: Sometimes I wonder if the author is running out of ideas.

TK: You shouldn't say such nasty things about the authorâ€¦

Then a door opened at the far end of the dungeon. Something stepped
in. It looked like a bus driver, but there was something odd about
himâ€¦

Tai: Who are you?

Joe: Were all going to die!

Tentomon: That's BusDrivermon, an evil Mega level Digimon!

Joe: I knew it! WE ARE ALL GOING TO DIE! *Falls on the floor and
starts crying*

Gomamon: Oh shut up! We will beat him just like we always do.

Tai: Exactly.

Agumon warpdigivolve toâ€¦ WarGreymon.

Gabumon warpdigivolve toâ€¦ MetalGarurumon

Then all the rest of the Digimon digivolved to their ultimate
forms.

TK: Hey wait! Where's Patamon?

BusDrivermon: I'm afraid he's a little tied up. Hahaha!

Tai: Digimon attack!

The Digimon attacked but were unable to hurt
BusDrivermon.

BusDrivermon: Now it's my turn! Return Ticket Slice!

All the Digimon were hit and went back to their Rookie
forms.

Agumon: I'm sorry Tai. He's too strong.

Tentomon: Yeah, Izzy, we tried butâ€¦ Izzy?

Izzy: *Looks up from his computer* This website is really
fascinating. Did you say something?

Joe: Damn you Izzy! Damn you all! I never wanted to be here!

BusDrivermon: Now die! Oh no it'sâ€¦

Patamon: Yes, I escaped from your trap and have returned. Everyone
knows bus drivers can't set real traps!

Kari: I didn't know that.

TK: Neither did I.

Everyone else: Me neither.

Patamon: Yes, well, you seeâ€¦

BusDrivermon: Return Ticket Slice!

Patamon: Oh, I am hit. Too weak to digivolveâ€¦

Palmon: That sounded really bad.

Patamon: I know. I am in great pain.

Palmon: No, your line "Oh, I am hit." It sounds so forced.

Matt: Enough! Time to end this. *Throws a flower at
BusDrivermon*

BusDrivermon: What the? You think this will stop me? I willâ€¦ ohhâ€¦
so dizzyâ€¦ bright colorsâ€¦ *faints*

Matt: Ha! Everyone knows that the Komodorango flower has pollen that
puts people to sleep!

Kari: I didn't know that.

TK: Neither did I.

Matt: SHUT UP!

Patamon: Now you know how it feels.

Tai: Matt likes flowers!

Matt: Yes, I finally admit my addiction to all parts of
nature.

Mimi: Matt, your bravery in admitting your secret flower life has
compelled me to admit my unending desire for you!

Matt: OK! Let's go make out in a tree!

TK: Sounds like fun. Want to try it Kari?

Kari: Huh? Sure.

Tai: C'mon Sora, lets go with them.

Sora: Why?

Tai: Because I love you and always have.

Sora: No, I meant why don't we go back to my place? *Winks*

Tai: Why would we want toâ€¦ *Suddenly realizes* OH! SURE! Now how do
we get out of here?

Mimi: Through the door marked exit.

Everyone leaves except for Izzy, Joe and the Digimon.

Gomamon: Joe died of fear; Izzy has been hypnotized by the computer and everyone else left, soâ€¦

Biyomon: Digimon Poker Night!

Gabumon: At my house!

Patamon: I'll get the drinks!

Gatomon: I'll get the food!

Agumon: I'll get the watermelons!

Palmon: It's 9:00 in the morning!

Gomamon: So?

And so they left. The next day a bus driver came and found Joe dead, Izzy still on the computer and BusDrivermon twitching and holding onto a flower.

The End.
